SOURCE: U.S. Department of Education, National Center for Education Statistics, Common Core of Data (CCD). Some data from www.schoolmatters.com.

¹ As defined by the Census Bureau, locale code 1 represents a large city, code 2 a mid-size city, code 3 the urban fringe of a large city, and code 4 the urban fringe of a mid-size city.

— Not available. ² Data from 2004. ³ Data from 2003.

* Includes The Broad Prize winners for 2004, 2005, and 2006, which are not eligible to be considered for The Broad Prize in 2007.

NOTE: The eligible districts were selected based on their characteristics in 2004. The table describes these districts as of the most recent year (2005) for which the data were available at time of report production.
