May 7, 2007

Dear Broad Prize Scholar:

The sponsor of your scholarship, The Broad Foundation, requires an annual review of your academic progress to determine your continued eligibility in The Broad Prize Scholarship. Additionally, the Foundation has requested that we obtain updated contact and status information on all current and past Broad Prize Scholars.

All Broad Prize Scholars are asked to follow the instructions on the enclosed **Renewal Documentation & Scholar Information Update** and complete the pages that relate to your current enrollment status. If you are currently enrolled and believe that you are eligible for renewal of your scholarship, you must also supply a **full, official transcript of grades for the 2006-2007 academic year**. Please be sure to remind your college registrar's office that spring semester grades must be included on the transcript – *incomplete transcripts will not be reviewed, and may result in a delay in the payment of your award*.

Your Renewal Documentation & Scholar Information Update form and transcript (if applicable) should be returned to SRP at the following address:

**The Broad Prize Scholarship – Renewal Processing
ETS Scholarship & Recognition Programs
PO Box 6730
Princeton, NJ 08541**

Your material must be received by June 22, 2007. A pre-addressed envelope is provided for your convenience. Remember to provide proper postage on your return envelope. (As a reminder, postal rates increase on May 14.)

SRP will evaluate your documentation and notify you of your award status for the 2007-2008 academic year in August.

Please be advised that ETS Scholarship & Recognition Programs will be servicing renewal processing and related activities for The Broad Prize Scholarship, effective immediately. Our goal is to provide the best service possible, and to ensure zero interruption of your scholarship payments. To that end, while the requirements for the renewal of your award are the same, some of the processes involving the renewal of your award may be different than those you are used to. SRP's customer service center stands ready to assist you at 609-771-7878 or SRP-CSR@ets.org if you have any questions about the renewal of your Broad Prize Scholarship.

Sincerely,

M-D November
